## Observations

[Black-bellied Whistling-Duck \*Dendrocygna autumnalis\*](#)

Number observed: 1

[Northern Bobwhite \*Colinus virginianus\*](#)

Number observed: 3

[Wild Turkey \*Meleagris gallopavo\*](#)

Number observed: 1

[Common Ground Dove \*Columbina passerina\*](#)

Number observed: 6

[White-winged Dove \*Zenaida asiatica\*](#)

Number observed: 5

[Mourning Dove \*Zenaida macroura\*](#)

Number observed: 18

[Greater Roadrunner \*Geococcyx californianus\*](#)

Number observed: 1

[Yellow-billed Cuckoo \*Coccyzus americanus\*](#)

Number observed: 8

[Common Nighthawk \*Chordeiles minor\*](#)

Number observed: 1

[Chimney Swift \*Chaetura pelagica\*](#)

Number observed: 1

[Eastern Screech-Owl \*Megascops asio\*](#)

Number observed: 2

[Golden-fronted Woodpecker \*Melanerpes aurifrons\*](#)

Number observed: 1

[Vermilion Flycatcher \*Pyrocephalus rubinus\*](#)

Number observed: 4

[Ash-throated Flycatcher \*Myiarchus cinerascens\*](#)

Number observed: 11

[White-eyed Vireo \*Vireo griseus\*](#)

Number observed: 11

[Hutton's Vireo \*Vireo huttoni\*](#)

Number observed: 6

### **Details**

Data was collected during a breeding bird survey conducted for Audubon's Conservation Ranching program. Numbers reflect individuals that were recorded at 16 survey stations and the route taken between them.

[Common Raven \*Corvus corax\*](#)

Number observed: 7

[Black-crested Titmouse \*Baeolophus atricristatus\*](#)

Number observed: 16

[Purple Martin \*Progne subis\*](#)

Number observed: 8

[Blue-gray Gnatcatcher Polioptila caerulea](#)

Number observed: 3

[Carolina Wren Thryothorus ludovicianus](#)

Number observed: 4

[Bewick's Wren Thryomanes bewickii](#)

Number observed: 15

[Northern Mockingbird Mimus polyglottos](#)

Number observed: 5

[Eastern Bluebird Sialia sialis](#)

Number observed: 1

[House Sparrow Passer domesticus](#)

Number observed: 4

[House Finch Haemorhous mexicanus](#)

Number observed: 6

[Lesser Goldfinch Spinus psaltria](#)

Number observed: 20

[Chipping Sparrow Spizella passerina](#)

Number observed: 7

[Field Sparrow Spizella pusilla](#)

Number observed: 24

[Lark Sparrow Chondestes grammacus](#)

Number observed: 1

[Rufous-crowned Sparrow \*Aimophila ruficeps\*](#)

Number observed: 2

[Yellow-breasted Chat \*Icteria virens\*](#)

Number observed: 13

**Details**

Data was collected during a breeding bird survey conducted for Audubon's Conservation Ranching program. Numbers reflect individuals that were recorded at 16 survey stations and the route taken between them.

[Brown-headed Cowbird \*Molothrus ater\*](#)

Number observed: 11

[Black-and-white Warbler \*Mniotilta varia\*](#)

Number observed: 3

[Yellow-throated Warbler \*Setophaga dominica\*](#)

Number observed: 7

**Details**

Data was collected during a breeding bird survey conducted for Audubon's Conservation Ranching program. Numbers reflect individuals that were recorded at 16 survey stations and the route taken between them.

[Golden-cheeked Warbler \*Setophaga chrysoparia\*](#)

Number observed: 3

[Summer Tanager \*Piranga rubra\*](#)

Number observed: 9

[Northern Cardinal \*Cardinalis cardinalis\*](#)

Number observed: 22

[Blue Grosbeak \*Passerina caerulea\*](#)

Number observed: 4

[Painted Bunting \*Passerina ciris\*](#)
